

# **COLOR MY CONVERSATION**

## **CHORUS (Repeat)**

I can color my conversation  
I can color it well  
Ya, I can color my conversation  
Sit with me for a spell

## **VERSE TWO**

I will tell you about my family  
You might learn something new  
Then maybe when I am finished  
I might ask about you!

## **BRIDGE**

And together we will share  
A special moment or two  
Maybe make a sweet memory  
Or maybe a few

## **CHORUS**

I can color my conversation  
I can color it well  
Ya, I can color my conversation  
Just sit with me for a spell

**PURPOSE:** This song is sung as the child is nearing completion of the COLOR MY CONVERSATION Program. Though it is in Lesson Twelve, you may introduce it at any time when a child is completing the program at his/her level of ability. It is meant simply for listening pleasure!
