

LEARN ABOUT ME + LEARN ABOUT YOU

YES! NO! MAYBE SO!

A really great way to learn more about your family and your friends is to ask them some questions. That's what LEARN ABOUT ME + LEARN ABOUT YOU is all about - getting to learn some new information about people we know. Try this activity this week with someone in your family! You never know what you might learn about them that you never knew before!

We ask people questions to get _____.	
Write four examples of questions that you might like to ask someone in your family to learn more about them:	
1. _____ _____	3. _____ _____
2. _____ _____	4. _____ _____

Learn about me—ask me these questions—I can tell you the answers!

1. Do you like pizza?
2. Do you like to play sports?
3. Do you like doing chores?
4. Can you spell hippopotamus?
5. Have you ever gone in a plane?
6. Do you have any favorite hobbies?
7. Can you remember the names of Santa's reindeer?
8. Are you interested in computer games?
9. Would you ever try sky diving?
10. Would you want to go on an African safari one day, if you could?

Learn about you—Tell me your answers!

1. Do you like pizza?
2. Do you like to play sports?
3. Do you like doing chores?
4. Can you spell hippopotamus?
5. Have you ever gone in a plane?
6. Do you have any favorite hobbies?
7. Can you remember the names of Santa's reindeer?
8. Are you interested in computer games?
9. Would you ever try sky diving?
10. Would you want to go on an African safari one day, if you could?

*These are only sample questions. Please feel free to make up your own if you prefer!
