

USE YOUR EYES

VERSE ONE

When you look away I can't see

(glance around the room but don't look at the children)

What you're trying to say to me

(look back at children with an expression of concern as you sign "me")

Are you happy are you sad? Are you somewhere in between?

(make the facial expression of these emotions)

I don't know (shrug) cuz I can't see

BUT!

(use your point finger as if stating emphatically)

VERSE TWO

When you look at me I have clues

(look at children and point to your eyes)

Of what you'll say or what you'll do

When you use your eyes there is no doubt

I have clues to figure out

About you!!!

PURPOSE: This song is sung while teaching the children about Meaningful Eye Contact. It can be used with all age levels of children who are capable of doing the activities in this lesson. For older children, the lyrics would be spoken not sung.
